Term 2 Week 8

21 June 2018

From the Principal's Desk

The end of term is fast approaching and it seems like only yesterday that we began. With that said, I marvel at all that we have achieved so far this term and look forward to the exciting week ahead, and the delivery of some longer-term projects which are well and truly underway. We have certainly earned our holiday break, that's for sure!

Reports

Student Semester One Reports are now completed and are being prepared to be emailed for the first time this Semester. We will be trialling the system on Monday 25th June with Kindergarten Red and Kindergarten Gold Groups. For all other students, parents can expect an email from the school on Tuesday 26th June. Please access the report from the emailed link, read, share and celebrate the successes with your child and together make a goal for improvement in Semester Two. If you wish to make an interview with your child's class teacher to discuss the report, or any matter, please contact the front office on 9454 8377 or email

Edney.PS@education.wa.edu.au. If you wish to receive a school position report via email, which will show the progress of your child in relation to others in his/her year level, please request this report by emailing me at

Aaron.Chaplin@education.wa.edu.au no later than Monday 25th June.

Edudance Concerts

Don't forget, the highlight of the term - our Edudance Concerts showcasing the culmination of the dance lessons from Term Two. Concerts are scheduled for both Tuesday 26th June at 2.00pm and Wednesday 27th June at 2.00pm in the school undercover area. A different group of classes perform at each concert, so please check the information in our school App or website. All parents, friends and community members are welcome to join this celebration of our talented students.

Student Success

A huge congratulations to our School Choir who did an amazing job at the Children Sing Festival last week at the University of Western Australia. The adjudicator wrote a glowing report about the quality of your sound and performance and you should be extremely proud. On the same day, our Year 5 and 6 students enjoyed a crisp Winter's day of sporting competition in Netball, Soccer and Football, displaying excellent sportsmanship and skills. Of particular note was our undefeated AFL team who took out the top prize across the Darling Range Learning Community.

Chaplain's Corner

As a school chaplain I have the privilege to assist our students address different life issues. For example sometimes they ask me: What to do when two of my friends don't like each other and I'm stuck in the middle? I thought I would share here some of the things I suggest they could do.

- Talk to both of them ...
- You can't make them be friends with each other, but
- You can ask them to accept that you are friends with the other person
- Let them know you can choose to be friends with who you want to
- You can ask them to respect each other
- It might help if you invite them to talk to each other about their issues/differences instead of you sorting things out and being stuck in the middle
- Sometimes they want to both be your "best" friend, let them know they are both "really good" friends

If I can be of any assistance please feel free to contact me by email at Avram.lancu@education.wa.edu.au or mobile: 0401 319 792.
