It looks like the Fairy Godmother has been busy again! Hmmm, I wonder what items were used to magic up this amazing carriage? Is that glitter or fairy dust I see? To find out more, you will need to visit the Lucky Slipper stall at the Fair.

Mind your Beeswraps

Meet Brandan, an Edney Eco Warrior who is making an environmentally friendly alternative to single use wrappers.

Brandan has been industriously working to make re-usable bees wax wraps to sell at the fair. His strong belief in this cause means he has promised to donate one bees wax wrap to the school for every wrap he sells at the Fair.

Please visit Mind your Beeswraps and support a motivated student who is making a difference.
