Welcome Back!
Welcome back to our final term for the year to our students, staff and families. What a start it has been to the term, straight back into our quality teaching and learning programs, swimming lessons and the excitement of our upcoming Magical Kingdom Fair. It’s going to be a great term with our fantastic team in place.

Swimming Lessons
Reports both from Belmont Leisure Centre and our Bus Contractor are united in praise for the students and staff of Edney. In the course of the past two weeks, we would have had 5200 bus passengers making their way through 48 swimming sessions, changing back and forth between school uniform and bathers, switching seamlessly through classroom and pool time with the utmost patience, respect and excellence. I have managed to visit the pool on a couple of occasions and I have been thoroughly impressed with what I have seen. Congratulations to all students who have given their best effort and behaviour at the pool and good luck on passing your stages. A huge congratulations to the Edney staff for taking the disruption in your stride and thank you to our fantastic parent volunteers who lent a hand.

The Fairest Fair in all the Land
The countdown is almost over, and the Magical Kingdom will come alive on Sunday 28th October. This is the culmination of almost two years of planning and tireless efforts by the committee as well as staff, parents, students and the community that are Edney. We encourage all in our community as well as families, friends, anyone, to come and experience and share all of the fun of the fair between 10am and 2pm, and help celebrate our wonderful school, students and community. The Fair is a significant fundraiser for the P&C which in turn benefits the children at the school. Please consider giving a ½ hour of your time to man a class stall - and it’s still not too late to donate items for prizes, sale etc. Every bit adds to the success of the Fair, which, more importantly than raising funds, is going to be a lot of FUN! I hope to see you there.

The Unfair Kingdom
As magical and wonderful as our school and community is, there is a parallel dark universe, where people park wherever they want, no matter the rules, the law, or the risk to children. This occurs regularly around our school. Please continue to do your duty in keeping the children of our school safe by:

- Obeying the lawful signage around the school, especially no parking zones and our school bus zone;
- Not parking across any footpath, entrance, garden or verge;
- Maintaining flow in the Kiss and Ride – you may not use the Kiss and Ride Lane to park and leave your vehicle.

The school supports the City of Kalamunda in any enforcement action that is necessary and again encourages parents to park in our approved carpark at the High Wycombe Recreation Centre.

Class Organisation
Requests for consideration in class placement for 2019 will close on Friday 9th November. Any request for consideration must be made in writing, and detail the educational benefit that you believe such a request would achieve for your child. The school staff will be meeting in the following weeks to place students into classes. From Monday 19th November, student placements on provisional class lists can be viewed and discussed with the principal by appointment only, in person. To ensure the best possible planning for next year, please continue to inform the school in writing if your child/ren will no longer be attending in 2019. Please also ensure that any requests for new enrolment are made as soon as possible.

School Development Day
Friday 9th November is a school development day at Edney Primary School. Our staff will be working on curriculum improvement and review of this year, and putting plans in place to build further on our success in the years ahead. Students do not attend school on this day.

Fast Edney’s Canteen News
Have you noticed there is a new term 4 Fast Edney’s menu? There are great value specials available to order for lunch from Tuesday to Friday. Super salads now have more options, including two sizes (pictures are available to view at the canteen) and there are many side options for example egg, chicken meat or a yummy drumstick. Mix and match, the options seem endless! The Caesar salad with popcorn chicken, croutons and bacon pieces is also very delicious.

A friendly reminder that Kindy and Pre Primary students can not order recess, but are more than welcome to order lunch items for lunch time.

The recess menu has some new options. There is a pizza toastie available in half and full slices and yummy spring rolls. ‘Pop up’ specials are exactly that, here for a short time only. Drop into the canteen to see what is on offer, these specials change and may sell out.

Mrs Cresswell is eager to welcome new volunteers into the canteen. Please volunteer for as long or as little time as you have available. Jobs can be tailored to your preferences and your child/ren would love to see you helping in the canteen. Please drop into the canteen if you have some time to spare.
