MORE PLAY ON THE WAY

Our school has been successful in our application for \$25 000 for new playground and shade equipment from the Department of Education via the WA Government. We're thrilled to be replacing our current Year 3 and 4 playground with equipment that is up to the standard that we expect at Edney. Tribute though to the current equipment which has held up to over 21 years of vigorous use. We'll be consulting with students, staff and our community for the new playground designs and have works underway in the first half of 2019.

SHARING A HILLS CHRISTMAS

We're proud to continue to support the Sharing a Hills Christmas where we contribute what we're able to ensure that all in the City Of Kalamunda share the joy of Christmas. Donations of non-perishable food, new toys etc are being collected in the school library. Edney families have always gone above and beyond and we hope that this can continue this year.

IT'S NOT TOO LATE TO HAVE YOUR SAY

Edney Primary School is conducting the National School Opinion Survey and I invite all parents, staff and Year 4-6 students to have your voices heard. Staff and students will complete the survey in school, while parents and carers are invited to complete the survey online at <https://www.schoolsurvey.edu.au/s/EdneyParents18>

The survey was scheduled to close today, but, as of this time, we have exceeded our record number of responses, and I am hoping to nudge that total even higher, so have extended the closing date by one week. Please give 5 minutes of your time to help your school improve.

CLASS PLACEMENTS

Students have been provisionally placed into classes for 2019, taking into account parent requests where possible, and where such consideration is based on a valid educational reason. Class lists are currently in the Principal's office and can be viewed by appointment only with the Principal (please schedule an appointment through the front office). Final placement decisions will be made by the school administration. All parents and students will be informed of class placements via letters issued on Tuesday 11th December. From Wednesday morning, 12th December, class lists for 2019 will be displayed in the windows of the school library.

Mrs West and her Year 4 students created these fantastic artworks titled, 'Monet Reflections'. They've used a number of techniques to effectively represent a tranquil pond scene inspired by the famous artist, Claude Monet. Looking at these artworks makes me feel calm and relaxed. Spectacular work, Room 16!

Mrs Mitchell and her students in EC 5 created spectacular artworks depicting their own special park. The process involved drawing, tracing, painting and applying glitter to selected parts of their artwork. These were well worth the hard work, they look amazing. Well done, EC 5

Look at these sensational artworks by Mrs Connolly and her Year 4 students. They have been exploring printmaking with aluminium foil

This spectacular artwork was created by Jasmine of Year 3. What a sensational still life! Thank you for sharing this with us, Jasmine. It makes me hungry every time I see it!
