From the Principal's Desk

The light at the end of the tunnel shines brightly as we near the end of a bumper term! Thanks for hanging in there with us.

With the holidays soon here, there will be time to pause, and reflect, and rebalance for students, staff and families. Hopefully the beautiful weather from last week sets in, and there's time to genuinely rest and get well. It's also time to think about how our actions can make a change for the better.

Various strains of lurgy have been through the community, and the duration of this is exacerbated when people return to school or work before fully recovered. While we appreciate your support in keeping attendance high, the priority is the health of your children, our community and the staff. Please keep your child home if they are sick. It is the responsible thing to do.

Parking is improving, and this is because of you. As I have written, I cannot construct carparks. If I was to build Edney Primary School today, I assure you that the Early Childhood section of the school would be located next to a carpark, preferably multi-storey. However, in the 80s, when shoulder pads and big hair were all the rage, the carparks were put out on the two sides of the school, and that's what we have to work with. Thank you to those who have made the shift.

SCHOOL BOARD AWARDS

It was an honour to acknowledge staff, parent and community nominees in the Term Three edition of the Edney Primary School Board Awards as well as recognising 4 winners for this term. On behalf of the Board, congratulations to:

Jan Cresswell - Excellence in Building a Strong Community
Deb Scanlan - Excellence in Nurturing the Future
Adam Batt - Excellence in Teaching and Learning
Martyn Cresswell - Excellence in Teaching and Learning

The School Board Awards nominations are open to all in our school community and awards are presented each term. Please continue to nominate and acknowledge the wonderful members of our school community who are making such a difference for the students. Nomination forms and further details are available on the school website.

OUR DAY

Next Friday, 27th September is our second annual Edney Day and it's going to be the most amazing day of the year so far. All parents are welcome to come and join the activities between 11am and 1pm, followed by our sausage sizzle lunch. Don't forget to dress in Edney colours, add a bit of bling to the regular school uniform, and work your way through all that is on offer. We remind you that our festivities are limited to current Edney students, younger siblings and families only - no former students please. Themed treats, Book Fair and a Coffee Van are available throughout the day - payment is required for these services only, everything else is free. Check out the full activity guide and map on our school App and Facebook.

CLASS PLACEMENTS

Our preparations for the next school year are being finalised. Parents are invited to make requests for consideration in class placements based on **educational reasons** in writing to me no later than Friday 8th November at aaron.chaplin@education.wa.edu.au. Before making your case for consideration, please familiarise yourself with our class placement policy, available from the Edney website. If your child will not be continuing at Edney next year, could you please advise the front office of this in writing as soon as possible.

SWIMMING LESSONS

Information and consent forms for Swimming Lessons, which commence in Week 3 of Term Four was sent home earlier this week. Please ensure that payment of \$40 is made for the full series by the end of the first week of next term. Full details including the timetable and requirements will be issued on the first day of Term Four.

SEE YOU SOON

I wish every student, staff member and family the restful break that you have truly earned. Please stay safe, be kind and come back to us when school commences for students and staff on Monday 14th October.

Library News

Thank you to everyone that has returned their library books for this term. If your child still has a book at home please ensure it is sent back to school as soon as possible.

THE DINOSAURS ARE COMING!

Book Fair will be held in the library on Edney Day.

A Scholastic Book Fair is a fun event, that offers children a hands-on experience where they can discover a love of books and ignite a lifelong passion for reading. Children who choose their own books are likely to read more, understand more, and are more likely to continue reading when they have access to many books.

Throughout Week 10 the children will be given the opportunity to come through the library, explore the displays and discover the books that will be available and will be able to make wish lists. Parents/care givers are invited to come and browse through the books Tuesday through Thursday. Be sure to visit the Library during the Edney Day celebrations on Friday 27th September, there will be great activities, competitions and plenty of books available to purchase. Be on the lookout for a very special guest!

P&C News

Our sports day was a great success.

Thank you to all those helpers who manned the BBQ and served our customers. Thank you for counting, cutting, sorting and serving, setting up and packing down.

In a very first we ran out of sausages just before lunch. That shows how magnificent our school parent support is. No reruns of that on Friday for the interschool BBQ. Please show your support again for our children and P&C, by cheering and buying lunch with us. We are always on the look out for helpers so bring down an apron and grab some tongs if you're a volunteer superhero.

Any fundraising ideas, please email them to edneyprimaryschoolpandc@hotmail.com
Safe and happy break and we look forward to seeing you all next term at our P&C meeting.
