KINDERGARTEN TRANSITION TIMETABLE 2021 – KINDERGARTEN RED

Dear Parents,

Beginning school is a truly exciting, nervous and tiring time for families and children (and staff too)! While we are required and are able to offer the full complement of contact hours for Kindergarten children from the first day of the year, we have found from extensive experience that it is best to have a small period of transition to school in order for children to adjust to routines, and allow rest and growth during what can be an overwhelming time.

We will split the group in two for the first sessions, allowing more one-to-one interaction for students, parents and our staff and the chance to get to know your child, and introduce them to the entirely new experience of Kindergarten in a supportive, and less-overwhelming manner. The following 2 week run-in will allow for a seamless transition to the usual timetables, and we appreciate your support in giving your child the best possible start.

Please note the days for attendance, those which are half days only, and which half of the class is designated for that day.
