## From the Principal's Desk

### School Uniforms

This week is certainly proving that winter is on its way. Please be mindful that school uniform and our dress code are expectations of enrolment at our school, and that Edney jackets must be worn. We also have scarves available for that little extra warmth. It is also timely to check that your child's name has not faded from the tags, and to ensure it's written in boldly, as jackets are by far the most common item in lost property. Uniforms are available to purchase from Lowes, Midland Gate.

### Attendance

In order to access the full curriculum, and give your child the best chance of success, the Department of Education recommends an attendance rate of 90% or more.

We are here to support you with your child's attendance. Please contact us if you require any further assistance in helping your child to improve their attendance so that they can optimise their learning opportunities.

The below chart gives a breakdown of the amount of time missed, and if maintained, how it impacts on the future education of your child.

If your child misses...	that equals...	From Kindy to year 12 that adds up to...	Which is the equivalent of attending until:	Attendance Rate
1 day per fortnight	20 days per year	nearly 1 ½ years	part-way through year 11	90%
1 day per week	40 days per year	over 2 ½ years	part-way through year 10	80%
2 days per week	80 days per year	over 5 years	the end of year 7	60%
3 days per week	120 days per year	nearly 8 years	the end of year 4	40%

### Voluntary Contributions

A huge thank you to those parents who have paid their voluntary contributions. Up to date we have received the following funds which have been used across the school to purchase valuable resources.

	100% of Payments	Actual to Date	Percentage
<b>Year 1 to 6</b> Voluntary Contributions	\$19800	\$8172	<b>41.3%</b>
<b>Pre Primary</b> Voluntary Contributions	\$3600	\$1860	<b>51.7%</b>
<b>Kindergarten</b> Voluntary Contributions	\$3600	\$2010	<b>55.8%</b>

I would like to encourage those parents who have not yet done so to call into the School Administration and pay these contributions by either EFTPOS, cash or by direct deposit into the school bank account. Parents are reminded that if they wish to pay by direct deposit to use their child's name in the details. The bank account details are: Edney Primary School BSB: 066-112 ACCOUNT Number: 00904132

### Toys at School

Just a reminder that toys, including sporting equipment, are not permitted at school. If your child brings in an item to share for class news, it needs to be handed to the teacher at the start of the day, and will be returned at the end.

### Swimming Refunds

There are many students with a \$15 credit on their account from swimming overpayments last year. If you would like a refund or use this towards uniforms, excursions or Voluntary Contributions, please let either Corrina or myself know. Refunds are made via EFT, so please provide your bank details (account name, BSB and account number).

Receipts will no longer be printed for every payment made to the school, however can be printed or emailed upon request.

Thank you kind regards Irene Melia, Manager Corporate Services

### Running Club

Come down to the oval for running club between 8am and 8:30am every Wednesday morning.

It's a great start to the day!

### School Banking

You can deposit money every Wednesday morning from 8.20am till 8.40am in the School library.

If you are not a school banking family but want to be, you are more than welcome to pop in to the Library and have a chat.

## Make 10

### Purpose

- Identify two or more cards that total to ten.
- Rearrange numbers to make them easier to add.
- Recall basic addition facts to ten.

### Materials

- Deck of playing cards (picture cards removed).

### Organisation

A game for pairs or small groups.

### Aim

To make combinations that add to 10.

### Rules

- One player deals out ten cards in a row.

- The first player then looks across the row of cards for a combination of cards (any number of cards is fine) that adds to make ten e.g.  $6 + 4, 7 + A + 2$ .
- Only one combination may be removed. The aim of the game is to collect as many cards as possible, so combinations that require more cards are favoured.
- Once a combination of cards has been removed the cards are replaced by the dealer with new ones from the pack.
- Play continues until there are no more cards or until players can no longer make up combinations that add to ten. Players then count their cards to determine the winner.

### Variation

- Choose a different target number eg. twelve.

## DR PAUL SWAN CARD GAMES

Here are some Mathematics card games that encourage you to play at home.

Any regular set of playing cards can be used, but please remove picture/royalty cards first.

Most importantly, Have Fun!!

## Make 10 Again

### Purpose

- Identify two or more cards that total to ten.
- Rearrange numbers to make them easier to add.
- Recall basic addition facts to ten.

### Materials

- Deck of playing cards (10s and picture cards removed).
- Ace = one.

### Organisation

A game for one or two players.

### Aim

To make combinations that add to 10.

### Rules

- One player deals all 36 cards, face up in a  $3 \times 3$  array. There should be four cards in each pile.
- Players take turns to pick up any number of cards, which when added make 10. As cards are taken from the pile, a new card is revealed underneath.
- Play continues until all of the cards have been used or until no more combinations that add to ten can be made.
- The winner is the player with most cards at the end of the game.

### Variation

- Choose a different target number eg twelve.

These games come from the Dr Paul Swan Book "Card Capers"

## P&C News

Your P&C are working away behind the scenes to bring some Winter Cheer to warm our spirits - more details to follow.

Our next P&C meeting will be held in the Staffroom at 6pm on Tuesday the 8<sup>th</sup> of June 2021. Everybody is welcome to come along and get a feel for what we do as a P&C - we would love to see you there!

A huge thank you to all our families who contributed to our Mother's Day Stall fundraiser. Thanks especially to our awesome volunteers who helped your kids pick your treats. We hope all our mums, and dads doing both jobs, had an amazing day.

Last year's Fundraising Co-Ordinator, Rianna Lawrence, has recently stepped down from the P&C Executive Committee to concentrate on her studies. We wish Rianna every success and thank her for a job very well done last year fundraising through a pandemic! #BeTheDifference

Kind regards Valda Taipari, P&C President
